

General Assembly

January Session, 2011

Proposed Bill No. 6021

LCO No. 1347

Referred to Committee on Energy and Technology

Introduced by:
REP. LESSER, 100th Dist.

**AN ACT CONCERNING AN ENERGY SAVINGS PERFORMANCE
CONTRACTING PROGRAM.**

Be it enacted by the Senate and House of Representatives in General
Assembly convened:

- 1 That the general statutes be amended to provide that the Energy
- 2 Conservation Management Board shall establish (1) a state-wide
- 3 energy savings performance contracting program under which a
- 4 municipality may contract with an electric service company for energy
- 5 efficiency improvements to a municipal facility in exchange for
- 6 payment in an amount equal to the energy cost savings realized over a
- 7 prescribed period of time, (2) a standardized contract through which a
- 8 municipality and an electric service company may contract under the
- 9 program, (3) qualifications for energy service companies seeking to
- 10 participate in the program, and (4) the technical assistance and
- 11 maintenance that an electric service company shall provide to the
- 12 municipality for the duration of the contract.

Statement of Purpose:

To facilitate energy efficient and renewable energy improvements to schools and municipal facilities, without requiring up-front capital costs from a municipality, through the establishment of a state-wide energy savings performance contracting program.
